• **PARENT NOTE:**

Prayer life is an important part of the Catholic Faith. Our students' textbooks have all the prayers listed above in addition to many more. As parents It is important for you to pass on faith by attending Mass together, praying together, and Serving others.

Parents are the first and most important role models in the life of faith.

The Mass

The Holy Mass is when we come together as a community to unite ourselves together, as one Body in Christ. The third commandment states "Keep Holy the Lord's Day", which obligates us to participate in mass every Sunday with our community and family. Confirmation Families are obligated to participate in this sacrament every week. Mass is very important in our faith formation as Catholics, because we are united to one another and Christ through the mass by listening to the Gospel readings (the Good News of Christ) and sharing in the Eucharist (Body and Blood of Christ).
